

You are invited to Fraser Health's

# MHSU Psychiatry Virtual Event

Mental Health and Substance Use (MHSU)

This event is a unique experience tailored for psychiatrists like you to engage in virtual, personalized 1:1 discussions with our psychiatry leaders and physician recruiters.

"What I really love is that we're so diverse and we work so well together. Our leadership team is amazing. We really practice what we preach, in terms of openness and transparency, and developing trusting relationships that allow us to build programs."

Dr. Anson Koo  
Program Medical Director,  
Psychiatry Program

Tuesday,  
**May 28, 2024**

From:  
**7:00 a.m. – 5:00 p.m. (PT)**

Meet our psychiatry leaders and physician recruiters to learn about opportunities in psychiatry across the Fraser Health region. Gain insights into our divisions and programs. You'll be among the first to hear about opportunities at our sites and learn about the communities we support. Whether you are a resident, experienced psychiatrist or an internationally educated physician, we welcome you to reserve your spot today and discover how you can make a meaningful contribution to health care within our region.

Please scan the QR code to sign up for a 1:1 session or use the URL below.
